PRINCE IN NEW ROLE

Scion of Royalty Now Beautician

The man in the above picture is not, as one might suppose, a husband waiting while his wife has her face made over. He is Francisco Khan-Nazare-Aga, Persian prince, who, after trying almost every other mode of livelihood, has found his forte in providing lady with beauty. If she hasn't it already, and to enhancing the attractiveness of which she is already in possession.

Tales of Life in African Jungle Related Here by Native Bushman

Tales of a country where love and sympathy are unknown and where kindness is regarded as a sign of weakness but where the people are contented, entertained members of the Kiwanis club at their weekly luncheon meeting at the Hotel Harding yesterday noon when they heard the King of the LoBogola, a South African bushman.

Born in the bush country where civilization has made no advance; where houses, roads, even paths are unknown where trees grow to a height of 125 feet and the forests are a tangled mass of vines and underbrush centuries old and infested with wild animals, LoBogola at the age of seven wandered away from his village with 14 other boys to find themselves 45 days later on the west coast of the Gulf of Guinea.

5 MADE CITIZENS AT HEARING HERE

Judge George B. Scofield Gives Oath on Examiner's Recommendation.

Five foreign-born Marion residents were made naturalized citizens in common pleas court yesterday at the conclusion of examinations conducted by Mr. Venturi of Cleveland, an examiner from the district office of the director of naturalization at Cleveland.

They were made citizens by Judge George B. Scofield, who acted on recommendations of Mr. Venturi.

Those made citizens are Mary, Kura of 427 Mary street, Christian and Marie Henning of 806 Mary street, Elizabeth Bay of 508 Mary street, Alfred H. Bosch of 281 Oak street. The petition of Emma Wehrle LaSalle of 304 South Main street was continued pending a further examination.

Prunes without wrinkles, which are caused by handling, are produced by the inventor of a device resembling a lawn roller that picks the fruit from the ground with small spikes and places them in a container.

country, of his wandering away and of his arrival, a naked boy on the streets of a Scottish city after fighting sailors on the vessel in which he was carried away from the coast of Africa, when they attempted to dress him, sounded like a tale by Kipling.

LoBogola said he was saved from the crowds on the streets of the Scottish city who attracted by the naked black boy, by a kindly Scotsman who took him into his home sent to school and on five occasions financed trips to his home in Africa.

Although the laws of my country are hard and cruel my people are contented, LoBogola told his audience and he added a plea that they be left alone. He discredited work done by missionaries in the African countries and said he had been attracted to the Salvation Army because they devote their efforts to caring for the unfortunate in their own communities and not in far off countries.

All tendencies at love and affection are crushed, the speaker said. A baby who fondles its mother or puts her cheek is punished by being struck and if so unfortunate as to put its father's cheek, its fingers are burned under the nails.

Thieves are punished by having the fingers which did the stealing, cut off. A native who is so indiscrete as to look upon the Niger river which flows near the village.

He was reluctant to discuss the period in England when his father is reported to have been snubbed by the aristocracy and gained the title of the "Loneliest Peer in England". He spoke reports that his financial condition was such that

he was unable to keep up the estate. Through the death of his father the young Earl will inherit a million and a half dollars when he comes of age and in addition he will receive a large legacy under the will of the Dowager Countess of Egmont.

TIP TOP MEAT PIE

Put 2 qts. hot water and corn meal in greased baking dish. Crumble 36 Premium Flake Crackers and mix with 2 cups melted butter, salt, pepper, and 1 can condensed tomato soup. Spread over corn, mix with 2 cups, butter, and bake in hot oven (425° F.) until browned lightly. Six persons.

EVERY DAY is cracker day, with plenty of tasty Premiums in the house. How good they are with soups! And with fruit cups, and those tomato juice cocktails that everybody's serving.

But Premiums do more than merely start the meal! They can make a pound of veal go almost twice as far—in a tender, juicy Meat Pie, for instance. The booklet, "7 Money Saving Meals," shows all kinds of cracker tricks to help make better meals less expensive. And it's free—tucked inside each big money-saving box.

Put a box of Premiums and this recipe booklet to work in your kitchen NOW. You'll have tastier meals AND more money left. More time left, too—and something delicious and new every day.

Park Improvements Continued Public Spirited Citizens Lend Aid

Practical improvement of Marion park during the past year has been accomplished in a wholehearted public operation of public spirited citizens. The last three appropriations have been made for the park beautification program. Rather, they have been reduced budgets. The park officials have been able to obtain the necessary funds for the park beautification program. done by groups of citizens who would go to the park on pre-arranged nights to pick up and rake in clearing away and leveling the land in both the Lincoln and McKinley parks. Recently, this work has been done by unemployed men who receive city grocery orders as compensation. A well and pump house recently installed in the McKinley park supplies the water needs of the park and provides water for a drinking fountain and faucet. This has been one of the most-used improvements in the park.

Sparkling eyes and a smooth complexion depend on good health. The beautiful woman guards against constipation. She knows this condition can cause headaches, sallow skin, dull eyes, pimples, premature aging. Protect yourself from constipation by eating a delicious cereal. Tests show Kellogg's All-Bran provides "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. In addition, All-Bran furnishes blood-building iron. The "bulk" in All-Bran is similar to that of lettuce. Within the body it forms a soft mass, which gently clears the intestines of wastes. How much safer than pills and drugs—so often habit-forming. Two tablespoons daily—in serious cases, with every meal—will correct most types of constipation. If your trouble is not relieved in this way, see your doctor. Serve as cereal, with milk or cream, or use in cooking. At all grocers. In the red-and-green package. Made by Kellogg in Battle Creek.

Schwaderer Whiffs 12 as K.-P.'s Score 3-1 Triumph

LADY VIOLA TURNS IN BEST TIME IN WINNING 23 PACE

PRESBIES SET DOWN WITH THREE HITS AS 1,700 FANS LOOK ON

Shoemaker Solved for Seven Hits; Roseberry's Triple Drives in Two Men.

By BOB KIRKPATRICK Sports Editor, The Star

With Dale Schwaderer dishing up his slants in the most approved fashion and his mates bombarding the offerings of Don Shoemaker for seven hits, the K.-P. softball machine turned the Little World series into anybody's battle yesterday by taking the seventh game of the series, 3-1. The defeat of the Presbyterians squares the series even and the championship of the city now rests squarely on the outcome of the eighth game next Monday at 8:45 p. m.

Schwaderer pitched a one-hit game in six innings last Monday when the K.-P. and Presbies played a scoreless tie and the majority of the populace seemed of the opinion that was the nearest he would come to beating the Presbies this series. However, Schwaderer, the youthful right hander who farms as a business and does his flinging as a sideline, came right back and did an even better job of teasing yesterday.

He limited the Presbyterians to three hits in seven full innings, struck out an even dozen and issued three bases on balls. He was deprived of the shut-out when Bacon walked in the ninth. Milt Pohler doubled in center and Gallant tried to right, scoring Bacon. Except for this one brief letdown he had the upper hand all the way and was never in danger. Only two men escaped being struck out at least once. The last inning he retired the side on three straight strikes out.

While Schwaderer was putting on his exhibition of how pitching should be done, Roseberry and Merchant were leading an assault on Shoemaker, the two of them gathering in four of the seven K.-P. hits. Roseberry's triple in the second accounted for two runs, enough to have won the ball game but Merchant made the situation a little safer by slapping out a single in the third that sent Don Lindsey across the plate with the third marker. After that Shoemaker hit his stride and set the winners down without a hit but it did him no good then. The damage was done. With Schwaderer pitching in his very best form the three run handicap was far too great to overcome.

Carey Plays Sunday

Don Donelson's Semi-Pro of Carey will meet the Columbus Travelers Sunday at Carey. This is the third game between the teams, each having one victory to its credit. A tight battle is likely as both previous games have been closely contested.

Mr. X To Play Exhibition Golf Match Sunday

Who is Mr. X? No one seems to have any idea but that's beside the point. Mr. X, a masked golfer who conceals his identity for no good reason at all other than a desire to do so, will appear at the Mar-O-Del golf club Sunday, Sept. 15 in an exhibition match against a pair of Marion's best linkmen. The match is scheduled for 2 p. m. Ben Miller, Mar-O-Del pro and K. M. Fowler, champion of the Marion Country club, will oppose Mr. X.

Mr. X will pair with his partner, manager, A. P. Hergenroth, in meeting Fowler and Miller in an 18 hole best ball match. Mr. X is the long distance driving champion of three cities and professional champion of the same three. He plays in a mask and street clothes and reveals his identity to no one. He has competed in several national tournaments.

Marion golfers who have seen him in action in other cities report him to be a high class golfer. He has lost but four matches in the last 27 starts.

Mar-O-Del greens fee golfers Sunday will be admitted to the match free.

Bulldog Jackson To Meet Vangler in Mat Conflict

The roughhouse wrestling bout of the season has finally been signed and it will take place in Marion next Monday night at the Bismarck Hotel. The principals will be Bulldog Jackson, that rip roaring miner from the wilds of Alaska, and Sammy Vangler, the vicious little Jewish waterweight from Parkersburg, W. Va.

This is what might be termed a fan made match. Grappling fans who have seen both men in action have been yelling for them to be brought together but it was only through the offering of the biggest guarantee ever paid two men to wrestle here that they were finally signed.

The history of both Jackson and Vangler here is a story of roughhouse tactics almost without parallel.

Until Jackson landed on the local horizon of wrestling, Vangler, in the minds of most local wrestling fans was about the toughest, roughest piece of wrestling machinery that ever set foot in a local ring.

At any rate it is certain to be one of the most thrilling ring spectacles that has been seen in Marion and a record crowd is expected to jam Bismarck gym to witness it.

The semi-final of this tilt will see the popular Paddy Mark, Nebraska protégé of John Pesek, slipping into action against Freddy Moran the Irishman from Boston.

The brilliant wrestling of Mack has made him a big favorite with local fans but he'll have his work cut out for him in meeting Moran who rates as one of the finest lightweightweights the east has produced in several years.

22 BATTLERS WILL CLASH HERE TONIGHT

44 Rounds Bated for Eagles' Hall; Hard Punchers in Lineup.

Not having had enough battling in the recent north central Ohio tournament to satisfy their craving for Vlado combat, 22 tournament competitors who failed to connect for any of the championships, will return to the wars tonight at the Eagles hall to put on an 11-fight program of non-punching. A total of 44 rounds are carded for the evening, not including a three-round curtain raiser between a couple of midget fighters. That is, 44 rounds or less. The way a number of these boys swing their fists, several of the conflicts are likely to be out short long before the scheduled four rounds are completed.

The majority of the principals of tonight's bouts claim Marion as their home city but there are four other communities represented. Two of the boys, and incidentally two of the hardest punchers, hail from the rural village of Marble. Two others come here from Delaware while one, Serphine (Tuffy) Pope, makes the trip from Bucyrus. Pope will be remembered by Harding High sports fans as the boy who played both basketball and football against Harding last season. Pope has a tremendous swing in either fist. He will meet Frankie Blue, the young Marion veteran of the ring.

CUYLER'S HOME RUN IN ELEVENTH WINS

Pittsburgh Also Cops. So National League Race Remains Same.

By The Associated Press
Hazen (Kiki) Cuyler set on the bench while the Pittsburgh Pirates defeated four successive beatings from the New York Yankees in 1935, but it's a safe bet the fleet outfielder will see plenty of service in the world's series this year, assuming the Chicago Cubs win the National League pennant.

Cuyler has been "poisoned" by the New York Giants, and yesterday he was the hero of the Cubs' thrilling 11-inning 8 to 7 victory over the same club at the Polo grounds.

Pittsburgh recovered from a brief slump to trim the Boston Braves, 3 to 2, but failed to gain an inch in the standings.

St. Louis turned up with another brilliant pitching prospect in Ray Starr, young right-hander from Rochester, who had been knocked to two wild pitches singles and won handsily, 3 to 0. The Phillies downed Cincinnati, 7 to 4, to make a sweep of the three-game series.

The Yankees suffered their first defeat since clinching the American league flag when the Chicago White Sox beat them, 8 to 3. Lefty Gomez was the victim, Walter Stewart of the Browns came out best in a tight mound duel with George Earnshaw of the Athletics, 3 to 2.

15-TROT CAPTURED BY SEN. RICHARDSON IN STRAIGHT HEATS

C. E. S. Proves Too Fast for Field in 23 Trot; Races Close Today.

Lady Viola, the three-year-old filly owned by C. E. Miller of Bellefontaine, recorded the fastest time in any of the three events yesterday afternoon in the second day's program of fair races. Lady Viola stepped the mile in the third and final heat of the 23 class pace in 2:07 1/2 and took first money from a field of 12 starters. The Bellefontaine-owned horse was off to a rather poor start in the opening heat and finished second to Worthy Symbol but romped home ahead of the field in the second and third heats with plenty to spare.

Senator Richardson was easily the class of the field in the 15 class trot, the second event of the afternoon, grabbing three firsts in the three heats and crossing the wire several lengths ahead of the second place horse.

The third race, the 23 class trot, was a repulsion of the second event as G. E. 8 displayed a clean pair of heels to a small field. Only eight horses started this race in contrast to the 12 and 14 that have been usual in the races thus far. None of the entries were able to give G. E. 4 much real competition and the gray gelding driven by Conroy took first place money without difficulty.

The races will be completed today with three events on the program.

QUIMET, GOODMAN IN SEMI-FINAL BATTLE

Nebraska Star Expected to Put Up Hard Fight Against Champ.

By The Associated Press
BALTIMORE, Md., Sept. 16.—Memories of Public Beach and Bobby Jones' sudden demise were before Champion Francis Quimet as he faced the slender young Nebraskan, Johnny Goodman, in a semi-final skirmish of the National Amateur golf championship today.

It was Goodman, the unheralded youth from Omaha, who shocked the experts in 1933 by eliminating the great Jones in the first round of the California event, and the

HANLEY WASTES NO TIME WITH PURPLE

By The Associated Press
CHICAGO, Sept. 16.—It's going to be "Hurry Up" Hanley in the Big Ten football wars of 1935.

Copying a page from "Hurry Up" Tom's Michigan handbook of experience, Dick Hanley started his big Northwestern squad off full steam ahead yesterday with a lively scrimmage on the first day of practice, an almost unprecedented training exercise.

All Big Ten camps buzzed with great activity yesterday, but Hanley's drill was the severest. With 32 candidates and 32 freshmen, he divided his squad into four teams and sent it through a long practice.

MINNEAPOLIS NEEDS ONLY SINGLE WIN

By The Associated Press
CHICAGO, Sept. 16.—The Minneapolis Millers were on the threshold of the American Association championship today. One more victory and they can nail the pennant to the flagpole.

St. Paul did his best yesterday to delay the flag clinching by defeating the Millers but the Louisville Colonels came to the aid of Minneapolis and toppled the Columbus Red Birds, 7 to 4, thereby improving the Millers' margin. Meanwhile the Brewers were trimming the Kansas City Blues, 12 to 6.

BREAKS SILENCE—WITH A BUGLE

Tooting his horn as loud as day one did, former Governor Alfred E. Smith of New York, is shown as he entered into the spirit of the thing at Coney Island's Mardi Gras. It was Fireman's night, which accounts for Al's chapeau. Though still silent on his intentions regarding the coming presidential campaign, the "Happy Warrior" made plenty of noise with his little trumpet.

IN MEMORIAM

We had a little darling, Once she was our joy and pride. We loved her, Oh, perhaps too well; For soon she slept and died.

All is dark within our dwelling. Lonely are our hearts today. For the one we loved so dearly Has forever passed away.
 Mr. and Mrs. Dee Woods.

A Warning to young men in love...

Often it makes all the difference between you and no—the fact that girls are quickly repelled by offensive body odor! But why take needless chances? Bathe with Kirk's Coco Castile and you'll step out of your bath—without any chemical or heavy perfume odor—as fresh and clean-smelling as a woodland breeze. Kirk's, you see, was made especially for this purpose! It is 100% pure coconut oil soap. It makes a fuller, more penetrating lather... goes deep into the pores, removes every trace of oily, dirty film. Best of all, it's unscented. Try it today—for hands, for bath, for a wonderful shampoo. You'll be amazed at the difference. And at the saving too. Of the four leading toilet soaps Kirk's is half again larger. And now selling at the lowest price in a lifetime. Avoid imitations. Look for the arrows. Always ask for Kirk's by name.

"Sonny" Whitney Trying New Game.

CORNELIUS VANDERBILT WHITNEY

ROBERT L. BACON

By International News Service
NEW YORK — With the announcement that Cornelius Vanderbilt Whitney, son of the late Henry Payne Whitney, has accepted the Democratic nomination and is to run for congress for the first New York district, the colors of the famous Whitney stables have made their reappearance in the political arena.

In making his political debut young Whitney is starting to tread in the footsteps of his distinguished grandfather, William C. Whitney, who was prominent in national politics during the presidency of Grover Cleveland, when he was secretary of the navy.

Known as one of the richest young men in the world, young Whitney's interests hitherto have been social and sporting. Born 22 years ago, he went to school at Newport and in 1922 was graduated from Yale, where he displayed exceptional ability as an oarsman and for a time was captain of the varsity crew.

On the death of his father, "Sonny" Whitney, as he is more familiarly known, inherited the bulk of an estate valued at over \$70,000,000, as well as the celebrated racing stable. There was some doubt at the time as to whether the young man could run the stable with the success for which his father was noted. But apparently Sonny has inherited the phenomenal family luck on the turf. During the three-year period between 1929 and 1931, the Whitney stables have flashed to victory with monotonous regularity, the stable winning a total of \$1,171,577 in prize money. Twenty Grand and Equinox were among the horses that brought him his great measure of turf glory.

Up to the time of his father's death, "Sonny" had been enamored of the bright lights and primrose path of Broadway and had earned a reputation of being somewhat of a playboy. But that tag seems to be attached to every young man with money to spend on the so-called "Hardened Artery."

In the last few years, however, the young man has changed considerably and those who know him best assert that he will make good in the political arena as he has on the turf.

Whitney has been married twice. His first wife was the former Mary Norton, whom he married in Paris in 1922. She obtained a divorce in Reno in 1929. He was married for the second time in September, 1931, to Miss Gladys Crosby Hopkins, sister of Mrs. E. W. Hopkins, a sportsman, who received the accolade of British society in 1927 when she was presented at the Court of St. James.

In the coming election, Whitney will oppose Robert L. Bacon, the Republican candidate, who is a personal friend of his and who moves in the same social circle. This fact ought to make the contest of more than usual interest, involving as it does two notable family names.

The sudden transition from polo to politics does not surprise the close friends of the young sportsman, as young Whitney has often shown a desire to be of assistance to Governor Franklin D. Roosevelt in his campaign for the Presidency. Incidentally, the Governor professed himself pleased on hearing the news of Whitney's congressional ambitions, commenting that the new candidate had a very good chance of carrying the district.

Opponent No Nerve
However, Whitney's opponent is an experienced politician who has represented the 3rd District since 1923, while "Sonny" will be serving his novitiate, so the young sportsman will have to be up on his toes. It is to take another step in his grandfather's footsteps. Nevertheless, if the winning streak he has enjoyed on the turf stays with him in his new pasture, the odds are in his favor.
